HAPPENINGS

1. The sound of hammer striking nail echoes through the boathouse as Ralph Johnson (with expert guidance from Pert Lowell) builds more of our beloved townies. On a trip up to the shpp on a cold raw day this spring, Bill Heffernan, Greg Lindin and I spent an enjoyable morning talking up possible ways to promote the rebirth of the town class. Ralph would like your ideas also. He would also like you to know he is willing to do repairs. He has a limited inventory of repair parts and notes that if you have some spare hardware you wish to sell, just give him a call at the Pert Lowell Co. in Newbury Ma.

2. Congrats. to Jim Orton who recently purchased Townie 976 from Mort Woodason.

Our leader Bill Heffernan recently went to the Wooden Boat School in Maine. If Ralph is busy, maybe Bill can do our repairs. Also Bill recently got engaged to be married. May I take this opportunity to wish you, on behalf of the entire Townie assn, Best Wishes to both of you. Thats one way to get a crew.
